- **Decree No. 12/2002 approving the Regulation on Forestry and Wildlife.** - 06 June 2002
[LEX-FAOC061589]

Abstract:

This Ministerial Order, consisting of 3 articles, integrates specific tree species in the Classification List of precious wood products. The species are the following: *Combretum imberbe* (Mondzo), *Swartzia madagascariensis* (Pau Ferro), integrated in the Classification List of precious wood production, *Pericopsis angolensis* (Muanga) and *Colophospermum mopane* (Chanato), classified as 3rd and 4th class respectively. These species are already in the Annex I of Decree No. 12/2002 approving the Regulation on Forestry and Wildlife.

Descriptors (Forestry): forest management/forest conservation; forest species; classification/declassification

Descriptors (Wild species & ecosystems): hunting authorization/permit; hunting authorization/permit fee; hunting gear/hunting methods; hunting rights
