**Cambodia:** Proclamation No. 0067.PROR.KOR.KOR.SOR.KOR. on setting up a limit of the forest belonging to the inland and marine fishery domain.

**Date of text:** 07 September 1989.

**Type of text:** Regulation

**Full text available (English):** [cam1072.pdf](#)

**Abstract:**

This text consists of 6 articles. Article 1 establishes the concept of precinct forests defined as the inland and marine fisheries domain and reserved for fishery productivity. Article 2 subjects the issuing of the land property in the precinct forest to the approval by the Ministry of Agriculture. The conduct of activities such as clearing, chopping, reclaiming or burning is prohibited unless prior authorization of the Ministry of Agriculture has been granted (art. 3).

**Descriptors (Fisheries):** inland fisheries; protected fishing area; fishery management and conservation; offences/penalties; fishing authorization

**Descriptors (Forestry):** forestry protection measures; land clearing; timber extraction/logging

**Descriptors (Land & soil):** land tenure; ownership; right of use

**FAOLEX No:** LEX-FAOC001072
